

## Instructions for Users

---

**Name:** Head-2-Head Comparison Study (H2H Comparison Study).

**Access:** Open after registration in neuGRID (<https://neugrid4you.eu/accountcreation>).

**URL:** <https://neugrid4you.eu/datasets>

**Overview:** <https://neugrid4you.eu/datasets-details>

**DUA:** By registering and using these data in N4U, users agree to the following: (I) Users shall respect restrictions of access to sensitive data; (II) Redistribution of these data to third parties is not permitted; (III) Whilst every effort will be made to ensure the quality and completeness of the data, this cannot be guaranteed. Users employ these data at their own risk.

**Publication Policy:** Abstracts or papers partially including H2H data should mention the following article: Redolfi A., Manset D., Barkhof F., et al., “*Head-to-head comparison of Two Popular Cortical Thickness Extraction Algorithms: A Cross-Sectional and Longitudinal Study*” PLOS ONE (PONE-D-14-23743R1).

**How to Get Access:** Users must mandatorily follow the steps reported below:

Step1	
1.1	You must comply with the terms and conditions of use defined by the H2H creators accepting the DUA reported above
Step2	
2.1	To activate H2H Comparison Study dataset in the N4U user’s account the present form must be signed and e-mailed back to the neuGRID consortium ( <a href="mailto:aredolfi@fatebenefratelli.it">aredolfi@fatebenefratelli.it</a> ).
Step3	
3.1	User has to login the neuGRID platform and access the following path: /grid/vo.neugrid.eu/data/ where the H2H Comparison Study dataset is now ready to be processed.
