

Instructions for the Use of MAGNIMS Dataset

Name: MAGNIMS

Access: Proprietary dataset

URL: <http://magnims.eu/>

Overview: “MAGNetic Resonance In Multiple Sclerosis”, (<https://neugrid4you.eu/datasets-details>), have collected a dataset consisting of 60 patients with Multiple Sclerosis imaged with a protocol including 2D dual-echo images, and 98 patients with Multiple Sclerosis imaged with a protocol including 2D Flair images, as well as 65 controls imaged with the dual-echo protocol and 79 controls imaged with the Flair protocol.

DUA: Users accessing MAGNIMS agree on the following:

1. N4U has an interest in storing MAGNIMS dataset in the neuGRID infrastructure for the second Analysis challenge;
2. MAGNIMS has an interest in disseminating that the analysis results have been produced using N4U infrastructure;
3. MAGNIMS grants a non-exclusive, non-transferable right to N4U to use the MAGNIMS dataset;
4. N4U is allowed to grant the use of MAGNIMS dataset only to the researchers in charge of the Second Analysis Challenge (AC2) in the N4U Consortium and MAGNIMS;
5. Any other use by any party is forbidden unless prior explicit written permission is provided by the MAGNIMS consortium;
6. N4U users accept to use the data according to MAGNIMS publication policy only;
7. It is expressly forbidden for N4U to sell the MAGNIMS dataset, or give it in turn to sublicense to third parties or, anyway, to allow the use by third parties;
8. No charges, usage fees, or royalties will be paid to MAGNIMS;
9. The term of this Agreement is 31st December 2014;

10. At the termination of this Agreement, the N4U Consortium will delete all copies of MAGNIMS dataset from the N4U infrastructure and will not retain any copy of any part of the MAGNIMS dataset;
11. This Agreement shall be governed by Belgian law.
