

OPEN ACCESS THROUGH N4U

Instructions for Users

Name: NUSDAST (Northwestern University Schizophrenia Data and Software Tool)

Access: Open to the public

URL: <http://niacal.northwestern.edu/projects/9>

Overview: <https://neugrid4you.eu/datasets-details#nusdast>

DUA: http://niacal.northwestern.edu/nusdast_accessors/new

Publication Policy: Users will cite NUSDAST as the source of data, and the NUSDAST funding source (1R01 MH084803) in the abstract as space allows. Users will include language similar to the following in the methods section of the manuscripts in order to accurately acknowledge data gathering by the NUSDAST personnel. Depending upon the length and focus of the article, it may be appropriate to include more or less than the example below, however, inclusion of some variation of the language shown below is mandatory: "Data used in preparation of this article were obtained from the NU Schizophrenia Data and Software Tool (NUSDAST) database (<http://central.xnat.org/REST/projects/NUDataSharing>). As such, the investigators within NUSDAST contributed to the design and implementation of NUSDAST and/or provided data but did not participate in analysis or writing of this report." Users will acknowledge funding by NUSDAST in the support acknowledgement section of the manuscript using language similar to the following: "Data collection and sharing for this project was funded by NIMH grant 1R01 MH084803." Users agree to provide a bibliographic citation of the final published presentation or article for inclusion in the NUSDAST literature archive. Users will send this information to leiwang1@northwestern.edu

How to Get Access: Users must mandatorily follow the steps reported below:

Step1	
1.1	You must comply with the terms and conditions of use defined by the dataset creators accepting the DUA reported above.
Step2	
2.1	To activate this Dataset in the N4U user's account, the present form must be signed and e-mailed back to the neuGRID consortium: pmt-l@neugrid4you.eu
Step3	

WEB

3.1	You have to login the neuGRID platform and access the following path: /grid/vo.neugrid.eu/data/ where the NUSDAST dataset is now ready to be processed.
